Skills

Languages	C,C++,JavaScript,Python,PHP,Typescript	Frameworks	ReactJS,NextJS,Tailwind CSS
Frontend	HTML,CSS,SASS	Backend	ExpressJS,NodeJS,REST APIs,Postman
Database	MySQL,MongoDB,PostgreSQL	Others	Git,Github,Linux,Unit testing(Mocha, Supertest)

Education

- **Master of Computer Applications**   **July 2023 - July 2025**
  Jain University
  Major: Cloud Computing, Minor: Web Development
  Courses: Data Structures & Algorithms, Databases, Web Development, Discrete Mathematics

- **Bachelor of Computer Applications**   **July 2018 - Sept 2021**
  KLE's RLS Institute of BCA
  Major: Cloud Computing, Minor: Android Development
  Courses: C Programming, Python, Operating System, App Development, AWS Cloud

- **Pre-University Course[PUC]**   **July 2016 - March 2018**
  Bangur Nagar Junior College
  Major: Science, Stream: PCMC

Projects

Rozilla - [Code](#)
- Designed and developed a sophisticated real estate platform, 'Rozilla,' employing a Full Stack MERN architecture.
- Enabled users to seamlessly upload, manage, and explore property listings for sale/rent.
- Implemented robust CRUD operations through RESTful APIs and state management using Redux-Toolkit.
- Integrated Firebase for streamlined authentication, enhancing the overall user experience.
- Hosted here, ensuring reliable and accessible service for users.
- Tech Used: MERN Stack,Tailwind CSS,Redux,Firebase; Languages: HTML,CSS,JavaScript

ShopiMon - [Code](#)
- Developed a comprehensive Ecommerce platform with Next.js.
- Implemented an intuitive Admin CMS and a friendly client interface for users to purchase items.
- Managed products and payments seamlessly, featuring custom billboards, categorized products, and a detailed dashboard for store analytics.
- Ensured secure transaction processing and data privacy measures for user confidence.
- Tech Used: NextJS,MongoDB,Stripe,Tailwind CSS,ShadCN,Zod,Cloudinary; Languages: Typescript

Certifications

- **DataStructures using C++ - Coding Ninjas** (10/2022 - 01/2023)
- **The Complete 2023 Web Development Bootcamp - Udemy** (06/2023 - Present)
- **Introduction to CyberSecurity - Cisco Networking Academy** (12/2020 - 01/2021)
- **Python Fundamentals - Infosys | Springboard** (03/2023 - 04/2023)
